

Campaigner Personality – Conclusion 16Person...

Saved to Dropbox • 2 Oct 2018 at 14:12

Few personality types are as creative and charismatic as Campaigners. Their enthusiasm and vivid imagination allow Campaigners to overcome many challenging obstacles, more often than not brightening the lives of those around them. Campaigners' creativity is

invaluable in many areas, including your own personal growth.

Yet Campaigners can be easily tripped up in areas where their idealism and passion are more of a liability than an asset. Whether it is navigating interpersonal conflicts, confronting unpleasant facts, pursuing self-realization, or finding a career path that aligns well with your inner core, you may face numerous challenges that at times can even make you question who you really are.

What you have read so far is just an introduction and less than 5% of what

we can tell you about the Campaigner personality type. You may have muttered to yourself, “wow, this is so accurate it’s creepy”, or “they know more about me than people I’m closest to”. And you may even be a little uncomfortable because you are really *not* used to being understood.

This is not a trick. You felt understood because you were. And no, we did not spy on you – rather, we spent years studying Campaigners’ life stories, experiences, and responses to hundreds of our surveys. Step by step, insight by insight, we discovered exactly how Campaigners think, and what they need to reach their full potential.

This is how we know that many of the challenges you’ve faced and will face in the future have been overcome by other

Campaigners. You are *not* alone in this. You simply need to learn from mistakes and successes of others.

But in order to do that, you need a roadmap that fits your needs. Life is too short to stumble around grasping at scattered and contradictory advice that may work for 95% of the population, but not you. We now need to go much deeper into the Campaigner mind and answer “why?”, “how?” and “what if?”

Are you ready to learn why Campaigners act in the way they do? What motivates and inspires you? What you are afraid of and what you secretly dream about? How you can unlock your true, exceptional potential, while also staying true to who you are?

Our Academy provides a roadmap

towards a more focused, confident, and successful you. It's not for everyone – you need to be willing to challenge yourself, to face your fears, and to ask and answer questions you haven't asked yourself before. This is not a quick-fix solution, nor an easy shortcut. Our goal is to help you grow and become the person you are meant to be, not to simply give you a comfortable mask to put on.

Are you ready to begin your journey?
Then continue to the next section. We'll be waiting for you in the Academy.
